Final Information

A note about siblings: Siblings age 6 and up are welcome to attend scout clinics with scout groups. Siblings must be registered and \$8/sibling paid in advance. On-site registration cannot be accommodated. Clinics are not designed for children under 6 years of age, and they should not attend.

A note about parents: Bubolz's clinic space is limited and often very crowded due to the number parents attending with scouts. Parents attending should expect to work with the attending scouts. It may be necessary to limit non-leader parents in the future to permit more scouts to attend the clinics. According to BSA requirements, Tiger parents must attend with their scout and registration limits at Bubolz have been set to accommodate them.
